

Your Voice Heard Sprint 1 Plan

Team: Zoomers

Completion Date: July 6th 2020

Revision Number: 2

Revision Date: July 1st 2020

- **Goals:**

- ***Intentions of the project:*** Site for individuals leaning or on the progressive side of politics looking to practice their rights by becoming more politically active.
- Have a simple website up and running hosted on google cloud platform.
 - Code barebones of Website
 - Create Homepage
 - Create page that lists each official
 - Create page for each government official on the site

- **Task listing, organized by user story:**

- ***User Story 1:*** As a user I would like to be able to access a website where I can see a list of California senators to stay informed.
 - Draw out the general layout for the website (15 hours)
 - Create the layout using html/css
 - Future templates will inherit from this layout in order to make the site consistent across pages and allow for easy navigation.
 - Navbar and styling
 - Get the website accessible on GCP (4 hours)
 - Total Hours: 19
- ***User Story 2:*** As a user I would like to see a list of my federal representatives and senators to contact under each respective current political issue.
 - Find a good resource for the current federal representatives and senators (2 hours)
 - Have separate pages for each representative and senators (10 hours)
 - Determine Criteria for grouping (5 hours)
 - Needs to be common among them all to make it easier to group
 - Districts? Names? What's the best
 - Script to automatically pull senators and representatives to keep up with changes.(5 hours)
 - Written in python
 - Total Hours: 22

- **Team roles:**

- Rivata Dutta: Product Owner
- Dominic Lucchesi: Scrum Master
- Hunter Brown: Developer
- Aubtin Toofan: Developer
