

Your Voice Heard Sprint 2 Plan
Team: Zoomers
Completion Date: June 13, 2020
Revision Number: 1
Revision Date: July 5th, 2020

- **Goals:**

- Have two features the user can utilized
 - Proposing and voting on issues
 - Getting generated emails

- **Task listing, organized by user story:**

- **User Story 1:** As a user, I would like to be able to propose and vote on issues that others can see so that issues that need attention are seen by others.
 - Page for submitting issues (7 hours)
 - Needs to change database
 - Page for listing issues people proposed (8 Hours)
 - Relies on database info
 - Should be able to vote on issues
 - Sort by votes
 - Total hours: 15
- **User story 2:** As a user, i'd like pre written emails to send to a senator/representative of my choosing so that my voice can be heard and I don't have to invest a lot of time into writing the email.
 - Page for generating emails (12 hours)
 - Selection of issues
 - For the sake of the project we will choose some issues ourselves for now.
 - In the future these issues would be chosen based on most voted for issues
 - Have a field for the user to enter their name
 - Fill in the spaces in the generated email based on that
 - Total hours: 12
