**Team: Zoomers**

**Completion Date: July 23rd 2020**

**Revision Number: 3**

**Revision Date: July 1st 2020**

## **Release Plan**

- **High level goals:**
  - Ability to send pre-formatted email to representatives in California
  - Coordinate with local organizers to use websites to share their protests/Show local protests in California.
  - Create a forum page where users can post their own links to helpful resources.
    - Create a poll in a forum for a weekly most relevant issue?
- **User stories for release:**
  - **Sprint 1**
    - As a young progressive interested in being politically active in California, I would like to contact my state representatives to share my left-wing stances.
    - As a young progressive interested in being politically active in California, I would want a list of my state senators.
  - **Sprint 2**
    - As a young progressive, I need information on protests and events so that I can bring a physical presence to my activism.
    - As a political activist, I'd like to see resources for staying politically active in my area.
  - **Sprint 3**
    - As a political activist, I want a forum page so that I can communicate and have a dialogue with other activists.
    - As a political activist I want to chat with other users privately to gather more support.
    - As a political activist I want to see the most active posts of the day.
- **Product backlog:**
  - Make the website work for users outside of California
  - Have forum act like Reddit, so more popular comments are on top.
  - Have the forum posts be categorized by branches of topics instead of all comments in one place.
  - Create a web UI for easier mobile use
