Your Voice Heard Sprint 2 Report
Team: Zoomers
Date: July 13th 2020
Revision 1

- **Actions to stop doing:**
  - Stop trying to merge locally. Merge on GitHub itself
- **Actions to start doing:**
  - Ask teammates to verify a feature works earlier so that it can be checked off the scrum board/burn up chart sooner
- **Actions to keep doing:**
  - Using branches on GitHub & keep the master branch as a working project and each sprint on development
  - Communicating in Discord with team members
  - Asking questions
- **Work completed:**
  - Page to list proposed issues
  - Ability to sort issues by their number of votes
  - Ability to log user IPs to prevent duplicate votes
  - Page for generating emails
  - Form for issue submission
  - Organization of issues
- **Work not completed:**
  - Not enough images on the webpages
- **Work completion rate:**
